Value of Goods & Services Provided October 1, 2019 – September 30, 2020

During this fiscal year, our services were greatly impacted by the COVID-19 pandemic. From March 15 through September 30, 2020, we distributed clothing on a very limited basis. We also saw a large reduction in volunteers. Nevertheless, we distributed a substantially unchanged number of food bags and holiday food boxes, and more than doubled the amount of rent assistance provided (a total of \$223,443), helping 269 families to stay in their homes.
